

## Legends of Lehigh

New for 2025! Piggy backing off the Jersey Journey trip, this level one version of it will have campers sleeping in more 'stylish' accommodations and dials down the intensity of the activities. On this trip, campers will whitewater raft the Lehigh River, bike the D&L trail (paved), enjoy a day relaxing at Mauch Chunk Lake with Stand up paddleboards and Kayak rentals, Of course, spending a night visiting the local shops of Jim Thorpe will be included! Zipline might be a bonus activity.
