

Mountain Momma: Remix

Some former Mountain Momma campers got a hold of the traditional schedule and mixed a lot of things up to their hip tastes. Instead of tossing the schedule out, we liked it so much; we kept it! So, get ready for a roller coaster. After experiencing the Bridge Walk on the first day, campers will experience a horseback riding tour Tuesday morning while ziplining and playing in the waterpark until the late hours of the night. Wednesday sees the group rafting the Lower New River (Those 15 and up have the chance to raft the Gauley River if desired). On Thursday, the group stand-up-paddleboards at Summersville Lake and from there travel North to Ohiopyle, PA to camp. On the last day, they whitewater raft a second time, this time on the Youghiogheny River. Could this be a trip that sticks? It was a success last year; can it be again? Meets up with the Shenandoah trip on Thursday.
